PROFESSIONAL SUMMARY

MCA student (expected 2027) with hands-on experience building a database-driven web application using Python, JavaScript, HTML, CSS and MySQL. Strong foundation in software development life cycle, operating systems and computer networks. Certified in Python fundamentals and the fundamentals of artificial intelligence. Seeking an internship or entry-level software development role to apply technical skills and contribute to IT projects.

EDUCATION

Master of Computer Applications (MCA) Expected 2027

Nehru College of Engineering and Research Centre, APJ Abdul Kalam Technological University

Currently in Semester 3

Bachelor of Science in Mathematics (B.Sc.) Graduated

Mount Seena College, University of Calicut

Aggregate: 52%

TECHNICAL SKILLS

Programming Languages: C, Java, Python, JavaScript, HTML, CSS

Databases: MySQL, DBMS

Tools: Git, MS Office

Core Concepts: Software Development Life Cycle (SDLC), Operating Systems, Computer Networks

ACADEMIC PROJECTS

Smart Interview Practice Platform Python, Web Technologies, MySQL

- Developed an interactive web platform that helps candidates practice mock interviews and improve their communication and technical responses.
- Implemented dynamic question handling and MySQL database integration to record responses, provide feedback and track user performance metrics.

CERTIFICATIONS

Basics of Python September 2026

UniAthena in partnership with Cambridge International Qualifications, UK

Elements of AI September 2026

University of Helsinki and MinnaLearn

- Earned 2 ECTS credits through an online course covering the fundamentals of artificial intelligence, including machine learning, neural networks and the ethical implications of AI.

PROFESSIONAL SKILLS

- Problem Solving: analyzing technical issues and developing effective solutions systematically.
- Teamwork and Communication: collaborating effectively in group projects and academic activities.
- Adaptability: quickly learning new technologies, frameworks and methodologies.

LANGUAGES

English (Professional Proficiency), Malayalam (Native)
